We are highly grateful to all of you for the opportunity given to Sri Chaitanya Techno School to carve the bright future of your children. With your support and cooperation, we have been able to impart education to your children even in these difficult times. The process of education is never complete without a feedback on the outcome. We are very happy to announce that all our students have been promoted to the next class.

The new session will begin from Monday, 5th April 2021. As of now, physical classes will start for the students of Grades 9 & 10 only. We are hopeful that physical classes for all students will resume within a month or so. For the first 15 days we will continue with the Bridge Course only.

Dear parents,

Sri Chaitanya Techno School extends their heartfelt gratitude for your cooperation and support during this Academic year when we treaded the unknown world of virtual learnings.

Although the platform of education had shifted to the online form, we genuinely believe that hard copy of books are very essential for the students.

As we stand at the beginning of a new session, we request you to make the fee payments and buy the books for your children as per the schedule given below.

As we strive for the best quality of education for our students, we appreciate your cooperation in this regard.

Thank you
